

Go abroad and develop yourself with Abroad Consulting in Bremen!

Never heard of the **beautiful old-but-oh-so-lively city of Bremen** in Germany? That is about to change! Not far from the Baltic sea, the port city of Bremen goes back as far as to the 8th century AD, but that does not make the city boring at all. With around 37.600 students the city offers a broad range of free-time activities, varying from visiting one of the many theaters or doing a fairy tale tour to climbing in the huge climbing hall or visiting Hamburg at just one hour away! Bremen is above all famous for the fairy tale "the town musicians of Bremen" and it's good Beck's beer (in which factory we offer job shadowing for students), but it is also a city rich in tradition and on top of that one of the most important industry and research locations in Germany!

Interested in visiting Bremen? Abroad Consulting can organize your tailored study trip to Bremen based on Erasmus+ scholarships.

In Bremen* we offer...

- internships in various business areas, such as administration, marketing, restaurants, hotels, kindergartens..
- German language courses for groups in small, closed courses
- job shadowing - we visit companies in small groups to follow the daily routine of the company. We work together with companies like Mercedes Benz, Beck's Brewery, Airbus, University of Bremen and the Hachez Chocolate factory.
- language courses in combination with job shadowing/ internships.

Abroad Consulting also arranges a place to stay for students and their teachers/ tutors. We are in good contact with various guest families, youth hostels and apartments and will always find a fitting solution for your stay in Bremen together with our partners.

Our Abroad Consulting team gained its competency working in the Erasmus+ field of student mobility over the last 8 years and is your stable partner for student mobilities!

Do you want to visit Bremen or any other city with us? Please contact our team by phone or email: +49 30 60275836 / info@abroadconsulting.eu*
