

Go abroad and develop yourself with Abroad Consulting in Copenhagen!

Beautiful architecture? Check! Beaches at the sea? Check! Relaxed city and friendly locals? Double check! **In Copenhagen, everything from stunning nature to world-famous castles is just a short (bike) trip away!** And yes, we know that Copenhagen is not always as sunny as on the pictures, but that just only gives you the change to discover the very Danish concept of *hygge*: savouring simple pleasures and enjoying good times with great people. It's an absence of stress; a sense of ease and indulgence; a feeling of wellbeing and warmth. And who does not like that feeling?

To visit Copenhagen, enjoy the *hygge* atmosphere and see the famous coloured houses is high on the travel wish list of many young people! Abroad Consulting can organize your tailored study trip to Copenhagen based on Erasmus+ scholarships.

In Copenhagen* we offer...

- internships in various business areas, such as administration, marketing, restaurants, hotels, kindergartens..
- English language courses for groups in small, closed courses
- job shadowing - we visit companies in small groups to follow the daily routine of the company
- language courses in combination with job shadowing/ internships.

Abroad Consulting also arranges a place to stay for students and their teachers/ tutors. We are in good contact with various guest families, youth hostels and apartments and will always find a fitting solution for your stay in Copenhagen.

Our Abroad Consulting team gained its competency working in the Erasmus+ field of student mobility over the last 8 years and is your stable partner for student mobilities!
