

Go abroad and develop yourself with Abroad Consulting in Spain!

Sun, tapas bars, paella, a mediterranean climate, loud speaking but super affectionate locals, flamenco dancing... what other country could that be than **Spain!** Whatever you are interested in, good food, old or modern architecture, a rich history or just relaxing in the sun: you will find it all in this beautiful Mediterranean country. Being a popular Erasmus+ country, Spain has lots of experience with exchange students and foreign interns!

Interested in visiting one of our locations in Spain with us? Abroad Consulting can organize your tailored study trip to Spain based on Erasmus+ scholarships.

In Spain* we offer...

- internships in various business areas, such as administration, marketing, restaurants, hotels, kindergartens..
- language courses for groups in small, closed courses
- job shadowing - we visit companies in small groups to follow the daily routine of the company
- language courses in combination with job shadowing/ internships.

We are active in the following cities..

- Madrid
- Barcelona
- Santiago de Compostela
- Sevilla
- Granada
- Valencia
- Castellón
- and the island of Tenerife

Abroad Consulting also arranges a place to stay for students and their teachers/ tutors. We are in good contact with various guest families, youth hostels and apartments and will always find a fitting solution for your stay in Spain together with our partners.

Our Abroad Consulting team gained its competency working in the Erasmus+ field of student mobility over the last 8 years and is your stable partner for student mobilities!
