

## Go abroad and develop yourself with Abroad Consulting in Lisbon!

Assemble a destination from a wishlist of components and you get **Lisbon**: a wide glittering river, blue skies, steep cobbled streets, palaces, churches (and a castle, of course), tiles and houses in pink, mint, yellow and indigo, and cheap, fresh, grilled fish to eat outside a traditional bar in the sun. Yet Lisbon is more than that! Situated directly at the Atlantic Ocean, a trip to the beach is made in a whim (it's quick and easy to get to the beaches of Estoril and Cascais by train) and surfers will enjoy the good Atlantic waves.

Lisbon is one of the oldest cities in the world and one of Europe's major economic centres with strong importance in finance, commerce, media, entertainment, arts, international trade, education and tourism. On top of that, it one of the largest container ports on Europe's Atlantic coast.

All in all, Lisbon offers an all-round package for internships, job shadowing, and language courses! Abroad Consulting can organize your tailored study trip to Lisbon based on Erasmus+ scholarships.
