

## Go abroad and develop yourself with Abroad Consulting in Brussels!

As the centre of European culture and institutions, **Brussels** has much more to offer than most people imagine. Apart from its famous chocolates, waffles, fries and beers, there are almost 90 museums, beautiful parks, architecture, bars and much more. As the city is not too big, almost everything can be reached by foot or by bike, which is a great way to get around (and make sure all those delicious waffles you will eat won't hurt you too much ☺).

Of course Brussels is best known as being "Europe's capital". Being the hotspot for European politics, the city gives a good insight into everything EU. But not only politics-related business takes place here. The city is rated as the seventh most important financial centre in the world and serves many other business sectors.

All in all, Brussels offers an all-round package for internships, job shadowing, and language courses! Abroad Consulting can organize your tailored study trip to Brussels based on Erasmus+ scholarships.
